WARRANTY CERTIFICATE

Thermostop Breakfree 200, Breakfree 400, Breakfree Protection

1. General warranty

The Thermostop TechShield, Breakfree 200, Breakfree 400, Breakfree Protection doors and hardware carry a warranty of one (1) year, from the date of delivery, against any defects or faulty workmanship.

2. 10-year warranty against perforation due to rusting

THERMOSTOP offers a ten-year warranty against peeling, cracking or rust, under normal environment conditions, i.e. environment that is free of corrosive matters (high pollution, salt air, toxic vapor, etc.). This warranty is on a proportional decreasing basis over 10 years, at 10% per year.

3. Warranty against delamination

a) pre-finished white door

THERMOSTOP INC offers a 5-year warranty against delamination, from the date of delivery, on pre-finished *white doors*. This warranty is on a proportional decreasing basis over 5 years, at 20% per year.

b) Color shop or site painted door

THERMOSTOP INC offers a one-year warranty against delamination, from the date of delivery, on doors, shop or site painted in color (other than white).

Please note that any dark coating on insulated doors is not recommended and may invalidate the warranty if the door is exposed to direct sunlight for extended periods of time. Dark coatings absorb and retain the heat and may lead to delamination or to peeling of the paint coating.

4. WARRANTY CONDITIONS

- The distributor or the end-user accepts that the present warranty is the only one applicable on the Thermostop products.
